

On the 3rd. and 4th of Aug., the Canadian National Pops/Sos Meet was hosted by Skydive Burnaby at Burnaby, Ontario.

Again this year the weather was great, hot and dry. Sat. morning the 4 way scrambles began, followed by 1 rnd. of accuracy and 1 rnd of Hit and Rock. Sunday morning the last 2 rnds of accuracy were finished. This year a new event was added, Sport Accuracy, this proved to be popular with the new and younger pops and some of the older one's to.

Again this year Terry (slick) Sicurella served up a great steak dinner Saturday nite at the drop zone. My personal thanks go out to my meet director Shaun Hewitt, judge Erik Roggenkamp and all the recorders Betty, Teresa, Meagan, Ruth Ann, Pat.
